On March 20, New York State received a Major Disaster Declaration FEMA-4480-DR from President Trump for the COVID-19 pandemic. The declaration authorizes public assistance for category B Emergency Protective Measures. Potential eligible applicants include:

- State agencies
- Local governments and special districts
- Federally recognized tribal nations
- Certain types of private nonprofit (PNP) organizations:
 - a. Critical private nonprofit organizations: PNPs that own or operate a facility that provides a critical service, e.g., hospitals and emergency care facilities, fire & rescue emergency services, educational facilities (including colleges both public or private), nursing homes, laboratories, and rehab centers that provide medical care.
 - b. Non-critical but essential private nonprofit organizations: PNPs that own or operate a facility that provides a non-critical, but essential social service AND provides those services to the general public, e.g., senior citizen centers, homeless shelters, community centers, child care facilities, food assistance programs, performing arts facilities, and houses of worship.

Webinars are scheduled for March 30th for additional information on how to participate and submit for reimbursement.
