

Urgent

SOCIAL DISTANCING is critical to protect against COVID-19 **Stay home.**

Stand 6 feet away.

DO NOT shake hands.

Feel sick with fever, cough or trouble breathing?
ISOLATE yourself. **CALL** your doctor.

Cover your cough/sneeze with your **elbow** or a **tissue**.

Wash hands with **soap** and water for at least **20 seconds**, throughout the day.

Don't touch eyes, nose or mouth - that is how the virus can enter.
