

The CDNY Story

CDNY is rooted specifically in the provision of Medicaid **Service Coordination** and was created with the involvement and participation of over 70 agencies with long and successful histories of specializing in the provision of services to children and adults with Intellectual and/or Developmental Disabilities (IDD).

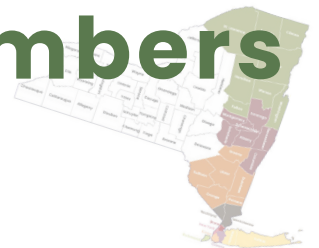

The CDNY Mission

Our mission is to assist individuals with intellectual and/or developmental disabilities to get the supports and services they need to live a quality life.

CDNY by the Numbers

1,000+ employees | **900+** Care Managers
26,000+ individuals served | **29** counties

The CDNY Difference

At no cost to your organization, partners in the CDNY network enjoy:

Care Coordination: streamlined service coordination and care management make it easier for you to access information and improve outcomes for shared individuals

Wellness and Prevention: our care managers help coordinate follow-up care, improve health/wellness outcomes, and work with individuals to comply with provider recommendations

Referrals: as part of an integrated network, care managers have access to partner organizations for referrals and service coordination

IDD Best Practices: CDNY can offer guidance and education to best support partners in working with individuals with intellectual and/or developmental disabilities
