Frequently Asked Questions

Hospitalization Preparation

While we hope that you will not need the hospitalization documents, we want you to be prepared. We've provided a fillable disability form for you to complete and keep with your important papers should you have to go to the Emergency Room or hospital. Also, included is information that our friends at SANYS prepared along with the updated NYS Department of Health hospital guidance permitting a support person for a patient with I/DD to be at their bedside.

Care Coordination Organizations (CCOs) and our advocacy allies are working tirelessly on your behalf!
